Brian Franco Harrin : Can I Have Your Autograph?: The Hidden Secrets of Getting Autographs from the Rich and Famous before purchasing it in order to gage whether or not it would be worth my time, and all praised Can I Have Your Autograph?: The Hidden Secrets of Getting Autographs from the Rich and Famous:

3 of 3 people found the following review helpful. Helpful, informative and some COOL PICTURES!By Michael

HulenI enjoyed Brian's book: Can I Have Your Autograph? It has some history, how-to's and such, but I really enjoyed the samples, pictures et al that really enhanced an interesting but potentially dry subject. Brian's 'folksy' writing style pulled me in to the story line and I found myself intrigued by the whole autograph process and, really, sub-culture. I recommend this short and pithy look at the world of Autograph Collecting. Mike2 of 2 people found the following review helpful. More than just celebrity autographsBy bkwormGreat book on the hobby of collecting autographs. I assumed at first that it would be dealing with just celebrity autographs, but the book goes much further. The author gives an interesting background in the history of autograph collecting, and weaves in interesting historical figures. The photographs of actual signed autographs were a delight to see. The author also educates on the importance of using a third-party authenticator, and gives many tips on determining if an autograph is authentic. There were some unique strategies to getting celebrity autographs by mail, which I never would have thought of. Well-written and interesting.5 of 5 people found the following review helpful. Profitable hobbyBy MarilynWhen I think of all the times when a celebrity or sports person was nearby and I missed an opportunity to ask for an autograph, I didn't realize it could be so valuable.I enjoyed the various explanations around the hobby, how to determine the various kinds of signatures and even how the signature can reveal more about the person. The illustrations were great.

I discovered the hidden secrets of getting autographs from the rich and famous And I share all of it with you in my book Can I Have Your Autograph. Discover the value of your autographs and what can affect that value! How to create a fool-proof tracking system for your collection! How to store your autograph collection so it doesnt lose its value!

From the AuthorI sincerely hope you enjoy reading my book and find it a great resource for collecting autographs. As someone who has been involved with collecting autographs since a young child, I feel this book is a must read for anyone interested in:Collecting autographs.Learning new techniques to increase the value of your collection.Protecting yourself from fraudulent autographs.In my mind, autographs are such a special item and something that families have been passing down for generations! After researching all the existing books about autograph collecting, there seemed to be a void in teaching someone how to build a valuable collection ... for virtually no money. It is my sincere hope that this book fills that void.Happy Collecting,Brian F HarrinAbout the AuthorBrian Harrin was born on October 24, 1992, in San Antonio, Texas.He is a graduate of Texas AM University-San Antonio, with a BA in Communications/Journalism. In addition, Brian studies in the Master of Arts program in International Affairs from the University of North Georgia. Brian also is an independent insurance broker for the Harrin Group, LLC, focusing on life, health, and retirement and is currently studying for his Private Pilot's License. Brian interned for a U.S. Senator in 2014 and hopes to serve his country in the near future. Brian is currently working on a new book project, which will be out in 2017. In addition to autograph collecting, Brian has performed multiple paranormal investigations of a South Texas ghost town working with TV documentary crews. He grew up participating in swimming, basketball, and the martial arts. Brian earned a First Degree Black Belt in Taekwondo at the age of 15 and is now training in the Israeli military self-defense system of Krav Maga.
