Great photos, too!3 of 3 people found the following review helpful. Excellent Reference on Carson City DollarsBy Jonathan B.Well written reference book. Interesting background information on the Carson City mint and how it came to be, and the GSA sales of the Carson City dollars. Great detail given to each Carson City dollar. Very nice photographs of the CC coins, most of which will not be seen by the majority of collectors in the high grades that are illustrated. Overall a good read and a nice supplement to 'A Guide Book of Morgan Silver Dollars'.0 of 0 people found the following review helpful. Five StarsBy L S GreenVery informative

In this expanded and revised 2nd edition, three numismatic experts (Adam Crum, Selby Ungar, and Jeff Oxman) chronicle the amazing history of the California Gold Rush, its effects on silver mining and the development of Nevada, and the birth of the Carson City Mint. They give the collector and investor a detailed insider's view of today's market

for Carson City Morgan dollars, including VAM varieties and focusing especially on GSA-slabbed coins. Whether you collect by date/mintmark or by variety, this in-depth book will make you a more savvy buyer. Includes condition census, market notes, enlarged full-color photographs, valuations, mintages, certification data, prooflike and DMPL coins, and more.
